2021 Canada Summer Games

Swim Manitoba is proud to announce the appointment of Ms. Szilvie Carriere as head coach for the 2021 Canada Games to be held in the Niagara region from August 6 to 12, 2021.

Holder of a level 3 certification from the National Coaching Certification Program (NCCP), Ms. Carriere brings with her a very long experience being a coach with the Manta Swim Club for over thirty years.

Last summer, she was the co-head coach for the Western Canada Summer Games, which will be a great continuity for many athletes.

To prepare the team, identify potential swimmers and prepare them well, we will identify groups of potential swimmers who will evolve during the process.

To do this, we will select in three stages, a larger group in spring 2020, a smaller group in fall 2020 and a smaller group in winter 2021. Here are the selection criteria for the Squad Team:
